

## Assignment Sheet 3 – Honors Chemistry Modern Chemistry Chapters 5 + 6

You are expected to READ each chapter in the textbook. Then complete the assigned questions for each chapter. The chapter homework is due approximately once per week.

When doing your homework, be sure to answer each question completely. Any question asking for an explanation should be answered in a complete sentence. Any mathematical question must show work.

While I will always expect you to know the vocabulary from the chapters, I will NOT be counting this as part of your homework grade. However, be sure to study the vocabulary for the tests and quizzes.
